The Flexible Recruitment Solution

sales@ambitionspersonnel.com

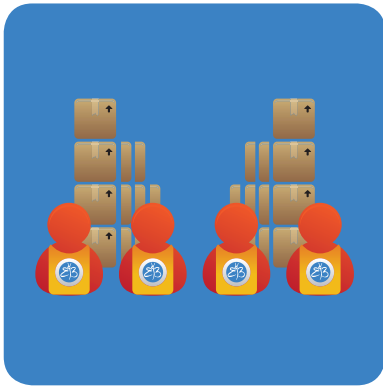

Office

Our high street locations put us in the very best position to attract the highest quality temporary and permanent candidates available in the marketplace.

100% of candidates are interviewed in person by our trained Consultants and skills tested, giving you peace of mind that they are suitable for your roles.

From Administrators to Senior Managers, holiday cover to outsourced recruitment solutions our Office Division has it covered.

Industrial

Our Industrial Consultants pride themselves in having an available pool of interviewed, eligible, skilled and unskilled workers ready to go.

Offering a 24 hour service we can supply you staff as and when you need them.

Covering short notice staff shortages or planned seasonal peaks, our teams are experts in the local marketplace ensuring we have availability to meet your demands.

On-Site

83% of our business is generated from our on-site solutions and our volume clients benefit from this bespoke service offering. Dedicated Account Managers and on-site teams integrate into your business. We work as a cost effective extension of your team.

Bespoke staff inductions, T&A system integration, management reporting and performance management are a few of the elements our on-site solution offers.

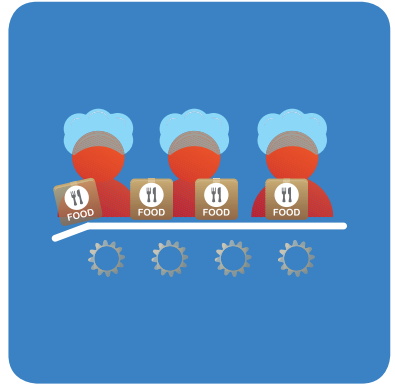

Warehousing and distribution, food production and print and packaging industries are our specialisms.

Food Industry Specialists

GLA licenced, ALP and Sedex members, CIEH accredited and part of the Stronger Together initiative, our credentials for supporting our food industry clients are second to none.

100% audit compliant together with the ability to respond to seasonal peaks, our flexible model gives your business the support it needs to meet your customer's ever changing requirements.

Bespoke staff inductions, Food Safety training and pre-employment health screening are just a few of the industry specific services we provide.

ap driving

With backgrounds in the transport industry, our Driving Division pride themselves on their knowledge and expertise; this gives us the edge to make sure you get the right driver to suit your needs.

As transport never sleeps we offer a 24 hour service 365 days a year, so we are there when you need us most.

From Van Driver to Class 1 (C+E) we have drivers to support your business on either a temporary or permanent basis.

ap training

Our specialist Skills Funding Agency accredited Training Division, compliments our recruitment business offering training to meet the needs of our varied client base.

Accredited by RTITB for Forklift training and CIEH for Food Safety and Health and Safety, we are in a position to offer training to support your business.

Access to funding schemes enable us to offer our clients best value training in the local marketplace.

Our recruitment services are tailored to meet the individual needs of your business.

Established in 1990, we supply over 4,500 workers to a broad spectrum of clients on a weekly basis. Our high street offices put us in an excellent position to attract the best candidates in the marketplace.

Our on-site and outsourced HR models offer tailor made solutions to our volume clients. With our turnover increasing by over 100% to 55 million over the past five years, we are proud of the relationships we have built with our clients large and small.

We attribute our success to:

- 100% audit compliance giving you peace of mind
- 100% of candidates are all interviewed face to face
- Industry specialists who understand your business
- Flexible temporary worker contract models
- Tailor made service designed with your individual business needs in mind
